APPENDIX B OF PART 216—ROTC SAMPLE LETTER OF INQUIRY

AUTHORITY: 10 U.S.C. 983.

SOURCE: 73 FR 16527, Apr. 28, 2008, unless otherwise noted.

§216.1 Purpose.

This part:

- (a) Implements 10 U.S.C. 983.
- (b) Updates policy and responsibilities relating to the management of covered schools that have a policy of denying or effectively preventing military recruiting personnel access to their campuses or access to students on their campuses in a manner that is at least equal in quality and scope to the access to campuses and to students provided to any other employer, or access to student-recruiting information. The term "equal in quality and scope" means the same access to campus and students provided by the school to the any other nonmilitary recruiters or employers receiving the most favorable access. The focus is not on the content of a school's recruiting policy, but instead on the result achieved by the policy and compares the access provided military recruiters to that provided other recruiters. Therefore, it is insufficient to comply with the statute (10 U.S.C. 983) if the policy results in a greater level of access for other recruiters than for the military.
- (c) Updates policy and responsibilities relating to the management of covered schools that have an anti-ROTC policy.

§216.2 Applicability.

This part applies to the Office of the Secretary of Defense, the Military Departments (including the Coast Guard when it is operating as a Military Service in the Navy), the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Defense Agencies, and the DoD Field Activities (hereafter referred to collectively as "the DoD Components"). This part also applies, by agreement with the Department of Homeland Security (DHS), to the Coast Guard at all times, including when it is a service in the Department of Homeland Security. The policies herein also affect the Departments of Transportation, Homeland Security, Energy (National Nuclear Security Administration), the Central Intelligence Agency, and any department or agency in which regular appropriations are made in the Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations Act.

⁴Although this resolution has been placed in the Statutes at Large as Pub. L. 90–331, 82 Stat. 170, it has not been codified; it is set out in the notes to 18 U.S.C. 3056.

§216.3

A policy or practice whereby a covered school prohibits or in effect prevents the Secretary of Defense from maintaining, establishing, or efficiently operating a unit of the Senior ROTC at the covered school, or prohibits or in effect prevents a student at the covered school from enrolling in a Senior ROTC unit at another institution of higher education.
- (b) Covered funds. "Covered funds" is defined in 10 U.S.C. 983 as any funds made available for the Departments of Defense, Transportation, Homeland Security, or National Nuclear Security Administration of the Department of Energy, the Central Intelligence Agency, or any department or agency in which regular appropriations are made in the Departments of Labor, Health and Human Services, and Education, as well as in Related Agencies Appropriations Act (excluding any Federal funds provided to an institution of higher education, or to an individual, to be available solely for student financial assistance, related administrative costs, or costs associated with attend-
- (c) Covered school. An institution of higher education, or a subelement of an institution of higher education, subject to the following clarifications:

- (1) A determination (§216.5(a)) affecting only a subelement of a parent institution (see §216.3(f)) effects a limitation on the use of funds (see §216.4 (a)) applicable to the parent institution as a whole, including the institution's offending subelement and all of its subelements, if any.
- (2) When an individual institution of higher education that is part of a single university system (e.g., University of (State) at (City)—a part of that state's university system) has a policy or practice that prohibits, or in effect prevents, access to campuses or access to students on campuses in a manner that is at least equal in quality and scope to the access to its campus and students as it provides to any other employer, or access to student-recruiting information by military recruiters, or has an anti-ROTC policy, as defined in this rule, it is only that individual institution within that university system that is affected by the loss of Federal funds. This limited effect applies even though another campus of the same university system may or may not be affected by a separate determination under §216.5 (a). The funding of a subelement of the offending individual institution of a single university system, if any, will also be withheld as a result of the policies or practices of that offending individual institution.
